Those members present were: Henry B. Bass, Mrs. George Bowman, Dr. B. B. Chapman, Q. B. Boydston, Joe Curtis, Dr. E. B. Dale, W. D. Finney, Bob Foreman, Morton R. Harrison, Dr. LeRoy H. Fischer, Joe McRide, W. E. McIntosh, R. G. Miller, Dr. James Morrison, R. M. Mountcastle, Fisher Muldrow, H. M. Phillips, Earl Boyd Pierce, Genevieve Segar and George Shirk. Members absent were: Lou Allard, Robert A. Hefner and John Kirkpatrick.

Miss Segar made a motion that all those members absent be excused. Mr. Mountcastle seconded the motion, which carried.

The Administrative Secretary reported there were twenty-four new annual members to join the Society during the last quarter. He reported that numerous gifts had been received including a donation from the J. Phillip Boyle, Sr. estate of about three hundred books for the library. Mr. Curtis made a motion that all new members and gifts to the Society be accepted and approved. Miss Segar seconded the motion. The motion passed when put.

Mr. Fraker made a report on the Oklahoma Historical Society appropriation measure which passed the Legislature complete with an additional \$25,000 for Honey Springs.

Mr. Fraker reported that the Society has added four new members to its staff: Mrs. Jean Shakely, to work as mailing clerk; Mrs. Wills Doty, to assist in the library; Mrs. Martha Blaine to work in the museum; and Mr. Jim Fletcher, who will also work in the museum.

It was reported that money for repairs and improvements at Fort Washita, Old Chief's House, and the Sod House had been approved. Mr. Fraker also reported that Mr. Ed Peck was doing artwork and the State Board of Affairs' engineers are drawing up estimates for panels depicting the development of the alphabets of the world for the exhibit at Sequoyah's Home. It was further reported that the engineering department was making estimates for bids for improvements of the Old Chief's House and plans were being made to secure the Big Cabin battleground.

The Board was informed by Mr. Fraker that the Senate passed a resolution commending the Oklahoma Historical Society staff and authorizing an interim study committee to review the needs of the Oklahoma Historical Society in order to keep the library and museum open longer hours and extra days.

The presentation of a book written by the late Dr. Charles Evans, *Advances in Education*, was made by Dr. E. W. Evans to President Shirk. Those attending the special presentation ceremonies were Emmitt Hudgens, Principal of Charles Evans School in Ardmore and Mrs. Reba Collins from Central State College at Edmond. A copy of the book was also presented to each member of the Board.

President Shirk informed the Board of the death of Judge Clift, which then passed in silent tribute to him. Mr. Mountcastle made a motion that the Publications Committee arrange for an appropriate article to appear in *The Chronicles of Oklahoma* as a tribute to Judge Clift. Mr. Harrison seconded the motion which was passed by the Board.

In his report for the Microfilm Committee, Mr. Phillips stated that all work was on schedule. He informed the Board that on July 21, the Microfilm Department received its first mass order for film. The Pioneer-Multi-County Library had signed a contract to purchase \$2,000 worth of microfilm from the Oklahoma Historical Society.

Mrs. Bowman handed out mimeographed copies of the financial state-

ments to all Board members. In her Treasurer's Report, she reviewed the financial statements and the Endowment Trust Fund report. Mr. McBride made a motion that the Treasurer's report be accepted. Mr. Phillips seconded the motion and it was adopted by the Board.

In the report for the Historic Sites Committee, Mr. McIntosh said that the abstract of title on the Keweenaw Mission site would be out soon and that work was progressing on the purchase of ten acres of the Tullahoma site.

Reporting for the Publications Committee, Mr. McBride stated that the contract for the printing of *The Chronicles of Oklahoma* had been set up and that the Administrative Secretary and the printing company had compiled a list of rules as to the schedule for the printing.

Dr. Morrison reported that recent high winds had taken out two trees at Fort Washita. He said that Mr. Merrick was interested in helping to finance the printing of a booklet to be sold at Fort Washita.

After much discussion of the subject, it was decided by the Board that Mr. Fraker should write to G. E. Norrell in Tulsa for verification of the fact that the remains of Senator Owen were put in a vault at Lynchburg, Virginia.

The Board of Directors received with appreciation a resolution from the Oklahoma City Civil War Round Table commending the Oklahoma Historical Society for its efforts in establishing Honey Springs Battlefield site.

A certificate from Wewoka, Oklahoma, was received and presented to the Board by President Shirk. This certificate commended the Oklahoma Historical Society for its cooperation last year in the Wewoka Centennial Celebration. Mr. McBride moved that the Board accept the commendation. Mr. Morrison seconded this motion which was passed by the Board.

Mr. Fisher Muldrow presented to the Oklahoma Historical Society a book entitled "Makers of Oklahoma" and a manuscript about Jesse Chisholm. These gifts came from Mr. and Mrs. Charles Standley, Jr., and Mr. and Mrs. Fred Reynolds, all of Norman.

It was moved by Mr. Phillips and seconded by Mr. Harrison that the Board request Mr. Shirk to bring to date and re-edit the booklet "Along the Washington Irving Trail in Oklahoma." This motion was passed by the Board.

Mr. Harrison moved that the budget for the Oklahoma Historical Society be approved and set into operation. Dr. Fischer seconded the motion. It was approved by the Board.

Mr. Shirk reported to the Board that Mr. E. K. Gaylord, of the Oklahoma Publishing Company, contacted him about an original camera that he would like to donate to the Oklahoma Historical Society on behalf of the Oklahoma Publishing Company. Mr. Phillips moved that Mr. Gaylord's donation be accepted and Miss Seger seconded the motion. It was passed unanimously.

Mr. H. Merle Woods was elected to fill the vacancy on the Board of Directors of the Oklahoma Historical Society created by the death of Dr. Harbour.

Mr. Pierce moved that the Board note with pleasure the two new members of the Oklahoma Hall of Fame from the Board of Directors, who are Mr. H. Milt Phillips and Mr. Henry B. Bass. Mr. Finney seconded the motion and it was unanimously adopted.

Just for fun, a poll was taken to determine the average age of the Board. It turned out that the average age of the Board was sixty-seven.

Mr. Mountcastle moved that the meeting be adjourned. Mr. Phillips seconded the motion, which passed. The meeting was adjourned at 12:15.
