

MINUTES OF THE QUARTERLY MEETING OF THE  
BOARD OF DIRECTORS  
OKLAHOMA HISTORICAL SOCIETY  
OCTOBER 24, 1968

President Shirk called the meeting of the Board of Directors of the Oklahoma Historical Society to order at 10:00 a.m. on Thursday, October 24, 1968. The meeting was held in the Board Room of the Oklahoma Historical Society Building in Oklahoma City.

The President proposed that a new system be followed at Board Meetings. A formal agenda will be prepared and presented to each member in order that he or she may know the order in which topics will be discussed.

Administrative Secretary Elmer Fraker introduced Denmei Ueda, a researcher from Niigama Japan, to the board members. Mr. Ueda is doing research in the Oklahoma Historical Society on a grant made possible by Dr. B. R. Chapman, former board member.

The following members were present for the meeting: Mrs. Bowman, Mr. Baydatus, Dr. Dale, Mr. Finney, Dr. Fischer, Mr. Foreman, Mr. Fuqua, Dr. Gibson, Mr. Harrison, Mr. Mefatosh, Mr. Miller, Dr. Morrison, Mr. Muldrow, Mr. Phillips, Mr. Pisco, Miss Seger, Mr. Shirk and Mr. Woods. Those members absent were: Mr. Allard, Mr. Bass, Mr. Curtis, Mr. Helmer, Mr. Kirkpatrick, Mr. McBride, and Mr. Mountcastle. Miss Seger moved that all members absent be excused. Dr. Fischer seconded the motion which was passed by the Board.

In his report, Mr. Fraker stated that twenty-nine people had made application for annual membership and that numerous gifts had been received by the Society. Mr. Muldrow moved that the applicants be elected to membership and the gifts accepted. Mrs. Bowman seconded the motion, which carried.

Continuing his report, Mr. Fraker urged all members to read "Along the Trail" which is mailed prior to each meeting. This will keep board members informed on all current projects of the Society and save time at Board Meetings.

Mr. Fraker stated that the Oklahoma Historical Society would receive \$125,000 if the up-coming bond issue is passed by the voters of Oklahoma. He asked that he be given the authority to mail a letter to all Historical Society members in Oklahoma urging their support for this proposal. This request was granted by the Board of Directors.

He also reported that a pamphlet describing the exhibits and facilities of the Society had been published and distributed free to approximately 40 motels in the Oklahoma City area.

Mrs. Bowman gave the Treasurer's report. Mr. Phillips moved that Mrs. Bowman's report be approved by the Board. Dr. Fischer seconded the motion, which was adopted.

In his report for the Microfilm Committee, Mr. Phillips said that production was improving and the department was keeping current on newspapers.

Mr. McIntosh reported that he had no additional report for the Historical Sites Committee other than information that was contained in the last issue of "Along The Trail."

Dr. Morrison stated that work had been started on the entrance gate at Fort Washita. He also reported that Mr. Merrick was keeping in touch with Mr. Fricke on progress at the site.

In a special ceremony, Mr. H. G. Miller was presented with an Honorary Life Membership in the Oklahoma Historical Society by President Shirk. Mr. Miller said: "I have given up all activities except my church work and work in the Oklahoma Historical Society and I am having the best time of my life."

President Shirk presented to the Society the marble gavel block which was a gift to the Society from former Oklahoma City Mayor Frank Martin. Mayor Martin was the first mayor to preside over the new city hall.

In connection with the Fort Towson Commission, President Shirk asked that the nomination of Ruby Smith to the Commission be approved by the Board. She would fill the vacancy left by the death of Dorothy Ogan. The nomination was unanimously approved by the Board of Directors.

In his report to the Board, Mr. Muldrow stated that Governor Overton James of the Chickasaw Nation and Chief Belvin of the Choctaw Nation were receptive to the idea of restoring their nation's respective capitals.

Mr. Finney gave a brief resume of Fort Sill Centennial Commission work. He stated the committee had met at Fort Sill. He distributed to the Board Members pamphlets that had been published for the Commemoration.

President Shirk reported to the Board that Mrs. Harriett Colcord White, daughter of the late C. F. Colcord, had offered to the Oklahoma Historical Society Library 100 volumes from her late father's library. Mr. Muldrow moved that the Society accept the books from Mrs. White. The motion was seconded by Dr. Gibson and unanimously approved by the Board.

President Shirk also stated that she wished to donate to the Society fluorescent lighting equipment from the Colcord Estate. These lights had formerly been used on the fifth floor of the Colcord Building. Mr. Harrison moved that this gift be accepted. Mr. Phillips seconded the motion which was also approved.

In the matter of the Honey Springs Battlefield Park, Dr. Fischer displayed a map showing the proposed park. He stated that the park would contain 2,000 acres. So far, the Society owns 100 acres at this site.

It was suggested by Mr. McIntosh that the Society take the 100 acres the Society now owns and develop it into a historic site and gradually acquire and develop the remaining land.

President Shirk proposed the following names to make up the Honey Springs Battlefield Commission: Mr. James C. Leake, Chairman; Dr. LeRoy H. Fischer, Vice-Chairman; Hon. Vol. H. Odum; Hon. John D. Luton; Hon. W. E. McIntosh; Warren Ray; Miss Nettie Wheeler; Jess C. Epple; and Phil Harris. Dr. Gibson moved that the Board confirm the Honey Springs Battlefield Commission nominations. Mr. Muldrow seconded this motion and it was approved.

In the matter of selection and adoption of an official seal for the Oklahoma Historical Society, President Shirk stated that Larry Anderson, who designed the seal for the City of Oklahoma City, would be agreeable to design a seal for the Society. Mr. Harrison moved that President Shirk be authorized to have Mr. Anderson design a seal and present it to the Board for approval. Miss Seger seconded the motion, which carried.

Miss Wright reported to the Board that Governor James and the Chickasaw Nation were using the property of the Oklahoma Historical Society in the publication of a Chickasaw Dictionary. Mr. Harrison moved that the original manuscript be copyrighted by the Oklahoma Historical Society. This was unanimously approved.

President Shirk presented a proposition to the Board to sell square yard lots of Cherokee Nation land to people in England and Germany. A deed of 10 acres in Cherokee County was presented to the Society by Mr. Earl Boyd Pierce on behalf of Mrs. Pierce and himself to be used for this project. Mr. Harrison moved that the deed be accepted with gratitude and appreciation. This was seconded by Mrs. Newman.

Mr. Shirk said it was his proposal that the property be sold in one yard square lots. Lord Montagu of England has agreed to help promote the project in Europe. Mr. Shirk said that each person buying land would receive a deed, pamphlet and a map. He also suggested that the Society extend \$100 to help defray expenses of Lord Montagu on this project. Mr. Harrison moved the President's proposal be approved. Mr. Muldrow seconded the motion which the Board passed.

In the matter of the restoration of the Overholser House, Miss Seger moved that the Society accept the program as outlined at a previous Board Meeting. Dr. Fischer seconded the motion, which passed.

Mr. Fraker recommended Mr. M. L. "Dick" Atkinson for a Certificate of Commendation for his work on the Oil Museum. Dr. Fischer recommended Mr. W. H. Fisher of Stillwater for a Certificate of Commendation in connection with his help on the Honey Springs Battlefield map. Both recommendations were unanimously approved by the Board.

Mr. Shirk reported that the cannon replica had been installed at Fort Gibson and the local sponsors were very happy with it. He also stated that a carriage is being made for the cannon in front of the Historical Building.

From a tally of the votes, it was decided the meeting time of the Board would remain as beginning at 10:00 a.m.

Mr. Phillips moved that President Shirk be commended for the new agenda and the new system used during the Board Meeting. This was unanimously approved.

It being determined there was no further business to discuss, the meeting was adjourned at 12:30 p.m.
